REFRESHING AROMATIC DE-ALCOHOLISED WINE DRINK

Grape Variety

Variety from the Mediterranean region.

Winemaking

We select the best Mediterranean grapes, macerate them at 14°C and ferment them with selected yeasts at 16°C. We then carry out the dealcoholisation of the wine by means of the spinning cones method. This method is the most respectful to the wine, maintaining all of the original aromas and structure. Finally, this 0% refreshing drink is vinified.

Product suitable for vegetarians and vegans.

Tasting Notes

Colour: Light pink and fine bubbles.

Aroma: Very fruity, intense, fresh, reminiscent of fresh fruit notes such as strawberry.

Taste: Refreshing, flavoursome and young. In the mouth, the gas appears as if it were cream, recalling aromas of fruit combined with a slightly sweet but fresh flavour.
